The weekly farmers market is in South Lake Tahoe today from 8am-1pm in the American Legion parking lot on Highway 50.

Growers from El Dorado County and beyond will continue to bring their produce to Tahoe through Oct. 13.

A slew of items are available – peaches, peppers, tomatoes, lettuce, carrots, onions, garlic, squash and more.

This time of year corn stalks start to show up as well – good for decorating with since Halloween is around the corner.
