

Kayak donation helps at-risk youths

Outdoor Intervention Program in Douglas County has five new tandem kayaks thanks to Rick and Brenda Rogers, who own Sierra Sports Rental in Zephyr Cove.

The program, now in its 29th year, is run by the county's juvenile probation department.

The wilderness program works with at-risk youths, students in the Gang Resistance Education and Training program and Safe Schools ambassadors.

For information or to make a donation, call (775) 782.9814 or (775) 782.9811.
