

Tahoe Adventure Film Festival

Tahoe Adventure Film Festival returns to MontBleu at Stateline on Dec. 12.

Like no other film festival in the world, the 2009/10 TAFF's high-energy, fast-paced evening showcases the best action sports films of the year and fuels your passion for adventure. Once again, this year's festival will feature action sports photos from legendary Aurora Photos, special guest speakers, go-go dancers, DJ Kos and of course a few special surprises.

This year the TAFF has partnered with the Sierra Avalanche Center to host the biggest raffle in the event's history. Prizes include Lake Tahoe resort season passes, a trip with Points North Heli Adventures, a afternoon with Pacific Crest Snowcats, and enough gear and swag to stock any adventurer enthusiast's garage.

This year's event opens at 6:30pm with an action sports photography display from legendary Aurora Photos followed by the main event at 7:30pm. Tickets are available online at www.LakeTahoeFilmFestival.com or at the MontBleu Resort Box Office.

The Official TAFF After Party will directly follow the film festival at Blu.
