

Helping Christmas Cheer

Thanks for the article regarding Christmas Cheer and its need for food. It is so easy to find things from your cupboards, or pick up those super saver items from our grocery stores to drop off at Christmas Cheer.

Unfortunately, until we are reminded by word of mouth, or especially articles like yours, it is too easy to forget to do this.

Even though CC is not open every day, Joanne Shope at CC offered to open the office so we could drop off a carload of groceries we had gotten for them.

Please keep posting this article, so others will be reminded in the coming months.

Thanks again,

Nancy and Eric Schafer
