

# Horizon to be transformed into Candy Cane Lane

Santa's Candy Cane Lane is coming to the Horizon in Stateline for three days of holiday activities geared toward children.

The festivities are Dec. 11 3-7pm, and Dec 12-13 noon-6pm in the convention center of the hotel-casino.

Mrs. Claus will help each child write a message to Santa. The Horizon has checked with the North Pole and has been assured Santa will be writing letters back. Santa will haul his letters home each night at 7:15, 6:15 and 6:15, on the respective nights.

Hot cocoa, candy canes and games are free. Holiday movies will be shown.

For \$5 kids (and presumably adults, too) can get a framed picture of themselves with Santa. It costs \$1 to make ornaments, \$2 to decorate cookies and \$10 to build a gingerbread house.

A holiday crafts fair will be going on at the same time. Carolers will be strolling, music playing.
