

Freeride World Tour comes to Squaw

Freeride World Tour â€” Tram Face – Squaw Valley

* The best freeride spots on earth have been selected by the Pro Freeriders Board (PFB) and the tour organizers to host four main events that make up the 2010 Freeride World Tour.

The valley will erupt with street parties, live music and celebrations not to be missed including the world's most extreme athletes battling it out on the never before opened legendary tram face.
