

STPUD to discuss water meter Law

South Tahoe Public Utility District's board of directors will meet Jan. 21 from 11am-2pm to discuss policy issues related to state mandated water meter law.

The meeting will be at the district's board room located at 1275 Meadow Crest Drive, South Lake Tahoe.

Issues to be discussed will include the water meter installation program, water meters for new construction, water conservation legislated mandates, and a time line for a future metered rate study.

While a quorum of the board may be attending the workshop, there will be no action taking place on their behalf. This meeting will include a working lunch for board members and designated staff. A pre-arranged lunch can be purchased by contacting Susan Rasmussen at (530) 543.6216 or srasmussen@stpud.dst.ca.us at least 24 hours in advance of the meeting.
