

TRPA instituting furlough days

Tahoe Regional Planning Agency is attempting to save \$100,000 with six scheduled furlough days starting this week.

This comes on the heels of having shutdown Dec. 24-Jan. 3.

Nevada is cutting its contribution to the bi-state regulatory agency, applications are less than robust and investment income is off, so TRPA needs to find a way to save.

The furlough days are:

Jan. 15

Feb. 12

March 12

April 5

May 7

June 11
