

# 6th-graders to get dose of reality about drugs

To the community,

On behalf of Tahoe Youth & Family Services we'd like to remind all 6th-grade students on the South Shore and their families that they will be participating in The Drug Store Project on March 30.

Choices, What are Yours? is the day's focus.

Together, 38 agencies and 180 volunteers will provide this reality-based drug prevention presentation during the school day.

For more information on the event, contact Lisa Huard at [lhuard@ymail.com](mailto:lhuard@ymail.com).
