

LTUSD bond committee tour of new facilities

The next meeting of the Citizens Bond Oversight Committee is March 31 at 6pm at South Tahoe High School, 1735 Lake Tahoe Blvd.

This meeting is open to the public, similar to Board of Education meetings, and the public is invited to attend.

Joe Stewart of SMC Construction and Steve Morales, Lake Tahoe Unified School District director of facilities, will lead the committee, staff members, and public on a tour of the Construction, Arts and Transportation Academy and Stadium View. The CAT Academy is scheduled to begin classes April 19.
