

Reno's DISH Cafe part of Food Network show

By Jonathan Wright, Reno Gazette-Journal

There is the regular way to make a recipe, proceeding by ingredient and method, and then there is the television way. Nancy and Joe Horn, the owners of DISH Café, learned that in January when a Food Network crew occupied their restaurant.

The crew was shooting an episode of "Diners, Drive-ins and Dives," the popular show in which host Guy Fieri visits homegrown restaurants across the country. The episode in which DISH appears is scheduled to air beginning Monday.
