

Winter driving skills class

California Highway Patrol is offering a Spanish version of the Winter Driving Safety & Survival Class. Winter Driving Safety & Survival is aimed at helping educate all drivers about the hazards of winter driving. The class was created in an effort to preemptively reduce the incidence of injuries and deaths resulting from winter-related motor vehicle collisions and incidents.

With the use of still photographs and videos, the officer in attendance will address drinking and driving, winter preparation, snow tires, speed limits, snow chain installation, anti-lock braking systems, stopping distances, restraint use and more. This class will be conducted in Spanish and does not offer any behind the wheel training.

The class will be March 22 at Bijou Elementary School in South Lake Tahoe and is free. Class is from 6-8pm.

This class is highly recommended for new drivers, drivers unfamiliar with winter driving conditions and drivers wishing to learn more about driving during the winter season.
