

# Coordinating service projects in South Tahoe

To the community,

I am compiling a list of service projects that South Lake Tahoe area nonprofits and other groups would like to see done this summer.

Is there a lot that needs weeding? A building that needs painting? Seniors in need of some assistance in their homes? Low-income families in need of their house painted or defensible space incorporated? A fence fixed? What do you need done?

Once this list is accumulated I'll be contacting local clubs and the community in general to try and have a community-wide service day, called "Tahoe Cares." Please call me your list(s) with location and contact person's name and phone number. Please also mention if you have some supplies already to get the job done. Also, if you'd like to help organize this day, please let me know.

Thank you,

**Paula Peterson, Tahoe Douglas Rotary and Tahoe Youth & Family Services BOD**
