

# Alzheimer's class

On May 14 from 8am-4pm at Green Valley Community Church in Placerville the public is invited to learn about Alzheimer's disease – its warning signs, who's at risk, what treatments are available and how to cope with the unique behaviors associated with the disease from the top experts in the field.

Because of a grant from Marshall Foundation for Community Health, the registration fee is just \$10 (\$20 at the door) and includes a continental breakfast, lunch, snacks, and all conference materials.

Five hours of continuing education units are available for most professions for only \$10. To arrange for free respite care of your loved one, please contact the Family Caregiver Support Program at (530) 621.6151. Registration brochures are available by calling El Dorado County Senior Day Care Services at (530) 621.6180 or Del Oro Caregiver Resource Center at (916) 971.0893.
