

# Car wash in South Tahoe

Proceeds from the May 23 all-day car wash will help fund a trip to Los Angeles for members of South Lake Tahoe's A Team.

The car wash will start at 8am across from the Swiss Chalet Village on Highway 50.

More than a dozen at-risk students whose grades and attendance meet the requirements will tour the Museum of Tolerance and Homeboy Industries.

Grants, service club, fund raisers and PAL are paying for the trip.
