The Northstar-at-Tahoe Resort golf course in Lake Tahoe, California is an 18-hole, par-72 (men and women) course that will both challenge golfers' skills and appeal to their senses. Designed by Robert Muir Graves, the course integrates Tahoe's rugged, wooded landscape with wavy bunkers and putting greens. The result is an active golf course whose features create a flow of movement that seamlessly moves in and over the natural terrain.

Registration starts at 9am with a shotgun start at 10am. The Casino hole and other contest holes allow for fun competition throughout the tournament where golfers can win prizes while raising money for the Humane Society of Truckee-Tahoe.

The Humane Society of Truckee-Tahoe is dedicated to saving and improving the lives of pets through adoptions, community spay/neuter services and humane education programs in the Truckee and North Tahoe area. To meet adoptable dogs, go to HSTT's Adoption Day, every Saturday from noon to 2pm at the

Town of Truckee Animal Kennel, or call (530) 581.3199 to schedule an appointment. To learn more about HSTT, call (530) 587.5948 or visit [www.hstt.org](http://www.hstt.org).
