

# Water Quality Snapshot Day

The 9th annual Water Quality Snapshot Day is May 22 in the Lake Tahoe Basin, Truckee and Reno.

Sponsored by California Trout, Nevada Division of Environmental Protection, UC Cooperative Extension, Tahoe Regional Planning Agency, Incline Village General Improvement District and the Truckee River Watershed Council, the day is about testing the water quality of Lake Tahoe's watersheds as well as Pyramid Lake

To volunteer, register [here](#) or call Jenny Hatch at (530) 541.3495.
