

Wilderness training for would-be trainers

The Tahoe Rim Trail Association is offering a Leave No Trace Training for Trainers on June 12–13 in Incline Village and D.L. Bliss State Park.

This training will teach not only Leave No Trace wilderness skills and ethics, but also how to share the knowledge with others including teaching techniques and interactive Leave No Trace activities for all ages.

Leave No Trace is a nationally recognized set of principles designed to encourage wilderness users to walk more lightly on the Earth.

The Leave No Trace Trainer's Training is geared towards those who would like to take a leadership role in disseminating Leave No Trace principles to others. Appropriate for educators, wilderness professionals, TRTA volunteers, and others.

The course will be an overnight in D.L. Bliss State Park and a \$65 donation to the TRTA is encouraged. Dinner and breakfast will be provided.

For more information, contact Mila Dunbar-Irwin at programs@tahoerimtrail.org or (775) 298.0238 or visit www.tahoerimtrail.org.
