

EDC sheriff's candidate says thanks

To supporters,

We did it. The first part's over and with all your help, support and confidence, we made it to the top. Words can't express how honored we are right now. We've had a long road so far and we are already making plans for the general in November.

With late absentee ballots still out there, we are on top with 25.26 percent. The closest competitor came in at 23.09 percent.

John
D'Agostini

We just wanted to take a minute to thank all of you again.
