

Green Thumb Gardening Series

A variety of gardening related classes are being offered on the South Shore starting June 27.

The Green Thumb Gardening Series is sponsored by the Tahoe Resource Conservation District, Lake Tahoe Community College and UC Cooperative Master Gardener.

Classes include learning about soil, landscaping with stone, selecting trees, water conservation, BMPs and more.

For more information, click on green or call (530) 543.1501, ext. 107.
