

# Trail building along Tahoe Rim Trail

Join the Tahoe Rim Trail Association for volunteer trail building workdays on the Daggett Summit Trail System Project.

Workdays are Tuesdays and Saturdays 9am to 4pm from now until mid-October.

Learn new skills, meet likeminded trail enthusiasts, and give back to your community by joining a volunteer trail crew! Volunteers of all skill levels and ages are welcome—no prior experience necessary. Groups are welcome to participate.

To join a volunteer work crew, register online at [www.tahoerimtrail.org](http://www.tahoerimtrail.org) or contact Amanda at (775) 298.0239 [trails@tahoerimtrail.org](mailto:trails@tahoerimtrail.org). Register so we will have tools and crew leaders.

This is the second trail building season of the multi-year Daggett Summit project, which will connect the Tahoe Rim Trail (TRT) with the Van Sickle State Park, re-route the TRT off of paved roads, and provide stunning views of Lake Tahoe to more people. Last year we built 3.8 miles of new trail; however we still have more than 9 miles to go.

Volunteers should bring their own lunch, water, sunscreen, bug spray, and backpack. Volunteers must wear long-sleeved shirts, long pants, boots, & work gloves. The Tahoe Rim Trail Association will provide hard hats, trail building tools and expert crew leaders.

Trail Building Workdays:

Aug. 14 at end of South Benjamin Drive, Kingsbury

Aug. 17 at end of South Benjamin Drive, Kingsbury

Aug. 21 at Kingsbury South Trailhead, Kingsbury

Aug. 28 at end of South Benjamin Drive, Kingsbury

Aug. 31 at end of South Benjamin Drive, Kingsbury
