

Discovering the Northwest through Living Voices

Discover a unique combination of theater, video and live interaction that creates a high impact experience and an unforgettable journey through history with Living Voices presented by Tahoe Arts Project.

Witness the dynamically changing Northwest at the turn of the century. The expansion of the railroad, the discovery of gold, labor struggles, and world war – these are the passages experienced by a young Swedish immigrant and her community. As she interacts with her African, Asian, and Native American neighbors you'll discover the diversity of the American experience.

The Northwest Passages' program is Oct. 1 at 7pm at the South Lake Tahoe Senior Center.

Suggested donation of \$5.
