

Dugard writing memoir to be published in 2011

By Stephen M. Silverman, People

Jaycee Dugard's incredible story of survival during 18 years of captivity until her 2009 rescue, will be published next year. And the author: Dugard herself.

Publisher Simon & Schuster said in a release that Dugard, now 30, will tell of her life from the time of her 1991 abduction to how she is faring now. Financial terms of her book deal were not divulged.
