

PC workshop for businesses

The North Lake Tahoe Chamber of Commerce is hosting a computer demonstration as part of their Chamber Education series titled "Learn How to Modernize Your Business PCs" Sept. 21 from 8:30-10am at Granlibakken Resort, 725 Granlibakken Road, in Tahoe City.

The demonstration is a firsthand look, along with a live demonstration, of Microsoft Office 2010 and Windows 7 and will focus on how these programs can assist a business.

Ron Baker of JFG Systems, who is a Microsoft-certified gold partner and a SonicWall certified gold partner, will provide the demonstration.

All attendees will receive certificates that allow them to register for complimentary online software training when they purchase Office 2010 and/or Windows 7.

Registration is \$20 for North Lake Tahoe Chamber of Commerce members and \$30 for non-members and includes Granlibakken's buffet breakfast. Seating is limited.

To register and for more information about the workshop, call North Lake Tahoe Chamber of Commerce Manager Kym Fabel at (530) 581.8764 or download a registration form at www.NorthLakeTahoeChamber.com, click on Programs and Documents.
