

SLT Poverty to Prosperity Forum on Oct. 8

Tomorrow's prosperity is only possible by understanding and responding to those factors that contribute to poverty today. An increasing number of decision-makers and community leaders recognize that the pathway to prosperity is dependent on all sectors of the community working together.

South Lake Tahoe Poverty to Prosperity Forum 2010 is a day to provide that opportunity through awareness, education, linkage, and action.

Join business leaders, education boards and administrations, government officials, nonprofit directors and community decision-makers as we continue the strategic discussion that will define the critical linkages needed to move our South Lake Tahoe community from poverty to prosperity.

The gathering is Oct. 8 from 9am-4pm at Embassy Suites, 4130 Lake Tahoe Blvd., South Lake Tahoe.

Lunch will be provided.

RSVP by Oct. 1 to Lori Blackburn at (530) 295.2403 or lblackburn@edcoe.org or go online www.eldoradocapc.org

Sponsors are Child Abuse Prevention Council of El Dorado County, El Dorado Community Foundation, El Dorado Office of Education, First 5 El Dorado, Lake Tahoe Gaming Alliance, South Lake Tahoe Area Fund at the El Dorado Community Foundation, and Tahoe Youth & Family Services.
