

South Tahoe Chamber sponsors City Council candidate forum

The South Tahoe Chamber of Commerce will be hosting a community City Council Candidates Forum on Oct. 19 at 5:30pm at the library on Rufus Allen Boulevard.

This structured forum will provide each candidate the opportunity for opening and closing remarks and explain their position on several local issues. Immediately following the closing remarks portion of the forum, time will be allocated for the audience and the candidates to discuss additional items not covered during the forum.

This event is free and all community members and City Council candidates are welcome to attend.

If you have questions, call (530) 544.7412.
