

AAUW to host women's movement program

South Lake Tahoe AAUW welcomes members, guests and the public on Nov. 13 at 10a, at the Aspen Room at Lake Tahoe Community College library to learn about the women who contributed to the passage of the 19th Amendment, giving women the right to vote.

Storyteller and AAUW member Sherna Kopple Svensson will share a brief history of the suffragettes and the almost forgotten women who filled in for men fighting World War I.

Following her presentation, a multi-generational panel of women will discuss the changes brought about in their lifetime as women took a greater role in determining the course of their own lives.

The event is free and the public is welcome.

At this meeting, a \$4 brunch will be available as well as complimentary beverages.
