

Bring out the Barrel wine tickets on sale

Bring out the Barrel tickets are on sale.

The Jan. 29-30 event in El Dorado County allows people to enter winemakers' cellars and be among the first to taste what they're calling "an extraordinary vintage" – straight from the barrel.

Light food pairings and special sales of limited quantity wines are part of the weekend event.

A Weekend Pass good both days is \$20; Sunday only \$15; designated drivers \$10; Friends 4-Pak is four for the price of three.

Advance sales online only.

Prices increase \$5 after Jan. 23.
