

Festival of Trees and Lights needs volunteers

Barton Health's second annual Festival of Trees and Lights is seeking eager volunteers to help kick off the holiday season at the MontBleu Convention Center Dec. 3-5.

Festival volunteers may participate as costume characters, tree angels, Polar Express assistants, Teddy Bear breakfast and hospital helpers and much more.

The festival will feature nonstop holiday entertainment with trees decorated by local designers and businesses, Barton employees and local schools.

For more information on volunteer opportunities, please call Denise Earls at Barton Foundation (530) 543.5909 or sign up online.
