

Snowshoe under the stars

Astronomy Snowshoe Adventures with Tony Berendsen are Nov. 27, Dec. 22, Dec. 29, Jan. 22 and Feb. 26.

Astronomy Trips include guided snowshoe tour followed by a program by professional astronomer Tony Berendsen, complete with high powered telescopes and iPad for close-up viewing.

Astronomy tours start in either Tahoe Vista or Truckee. Tours are between 2 and 4 miles and appropriate for all ages and abilities. Call for exact start time and location.

Day tours are throughout the Lake Tahoe Basin and Truckee areas. Several snowshoeing adventures are available through the Tahoe Adventure Company.

For more information is online or call 866.830.6125 or (530) 913.9212.
