

Sustainable Tahoe meeting on South Shore

Sustainable Tahoe's first basinwide green networking event in South Lake Tahoe is Nov. 18 from 5:30-8:30pm at Embassy Suites.

Regional leaders, owners, staff and advocates of green technology, conservation, alternative transportation, clean energy and sustainable innovation will unite to network and start the next wave of action toward sustainability.

The event will focus on bringing these community leaders together to meet, collaborate, and share resources under one vision of creating a sustainable destination of the Lake Tahoe basin.

The event will include a tour of recent sustainability initiatives by the Embassy Suites. The tour will also look at Explore Tahoe.

A 2011 Tahoe Expo is being planned for the summer to showcase possibilities for a new Tahoe economy.
