

Cave Rock boat launch implements holiday hours

The boat launch facility at Cave Rock will be closed Christmas Day. The boat ramp will operate on a reduced schedule from 8am-2pm on New Year's Day.

Only Tahoe issued watercraft seals will be accepted at the entrance booth on New Year's Day. No inspections will be performed, so visitors are asked to obtain an inspection seal prior to Jan. 1.

Normal Cave Rock operating hours throughout winter are daily from 6am-4pm.
