

Free family science event in Incline

UC Davis Tahoe Environmental Research Center is hosting a family science day on Dec. 29 from 2-5pm.

Families are invited to explore the mysteries of snow and ice. Conduct scientific experiments, discover what snowflakes look like under microscopes. Learn about wind chill and why some animals hibernate, among many other activities.

It will be in rooms 139 and 141 Tahoe Center for Environmental Sciences, 291 Country Club Drive, Incline Village.

For details, call (775) 881.7560, ext. 7483.

The is for ages 8 and older.

It is free.
