

# **IRS has millions of dollars to give out**

The IRS has money to give away – \$164.6 million.

This money is the total of refund checks that were undeliverable.

Go online under the “Where’s My Refund?” to see if you are owed money. You will be asked for your Social Security number, filing status and amount of refund shown on your 2009 return. Or call 800.829.1954 to check on your status.

The IRS does not contact taxpayers by email.
