

# 'Race To Nowhere' coming to Truckee

Due to continued public demand, a third screening of the hard-hitting education documentary "Race To Nowhere" is scheduled for Dec. 15 at the Truckee High School theatre from 6:30-9pm.

Sponsored by Sierra Nevada College, Lake Tahoe in partnership with Parents for Public Schools of Truckee-North Tahoe and the Tahoe Truckee Unified School District, this film has already drawn local educators, administrators, parents, and college students from around the Lake Tahoe Basin together for important discussions about the current state of the American school system. Members of SNC's Department of Teacher Education, Excellence in Education, and the Tahoe Truckee Education Association will facilitate a panel discussion immediately following the film.

"Race to Nowhere" focuses on the saturation point many students, teachers, and parents have reached in the high-stakes, high pressure culture of the current educational system. It highlights the mounting pressures and stresses children experience – from elementary school through high school – in an effort to gain admission to top colleges.

The film is rated PG-13 and runs 1 hour, 25 minutes.
