

TPNS appreciative of fundraising contributions

To the community,

Tahoe Parents Nursery School would like to thank the Optimist Club and Tahoe Gymnastics for their contributions to our fall 2010 fundraising which helps to fund our nonprofit, parent-cooperative preschool. We would also like to thank the U.S. Forest Service Taylor Creek Visitor Center and the South Lake Tahoe Fire Department Station 1 for providing a fun, educational experience to our preschoolers and their parents during our fall field trips.

Our philosophy "together we're better" is truly rooted in our tremendous community support and for this we are truly appreciative.

Happy Holidays.

Jennifer Webb, Tahoe Parents Nursery School publicity chair
