

Tahoe Tails – Adoptable Pets in South Lake Tahoe

BamBam is a 16-month-old Saint Bernard mix. He is house and crate trained and would love to go to training classes to learn more leash manners. He knows sit, come and down.

He likes most dogs, but would like to meet yours before going home with them. He didn't chase the cats that he met here, but they didn't run either.

He is a very energetic boy and would be a great hiking partner.

BamBam is neutered, microchipped, and vaccinated.

He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.
