

Hyatt Tahoe to celebrate Earth Hour

Hyatt Regency Lake Tahoe is celebrating Earth Hour by taking an inspirational pause on March 26 from 8:30-9:30pm.

The resort will toast Mother Earth in the resort's lobby with a series of green-focused efforts:

- Lobby light dimmed
- Complimentary wine and mini spa treatments offered in lobby
- Informative guest note highlighting Hyatt Regency Lake Tahoe's green efforts and flameless candles placed in each guest room.
