

Peace Vigil in S. Tahoe supports living without wars

Unity at the Lake is hosting a Peace Vigil on March 21 at 6pm in front of the Senior Center, 3050 Lake Tahoe Blvd. in South Lake Tahoe.

The public is invited and encouraged to attend.

The Tahoe Peace Vigil is being held in support of a candlelight vigil on the same day in Afghanistan (Afghan New Year's Day), organized by the Afghan Youth Peace Volunteers who wish to "live without wars." The Afghan youth will "light fiery candles of grief for all the youth and children of Afghanistan and the world who have been killed in conflict and in wars."

This meaningful event is an opportunity for people to make a difference in the world and to foster healing and wholeness.
