

Seminar to help businesses get government money

Lake Tahoe South Shore Chamber of Commerce is partnering with the Federal Technology Center to host a workshop titled Responding to Requests for Proposals on March 10 from 9am-noon.

This is for owners or managers of a small business who would like to expand their sales or services to the government and need ideas.

This event is free and open to the public. It will be at the chamber office, 169 Highway 50, Stateline.

Pre-registration is required – go online or call 866.382.7822.
