

TAP's annual Arts Festival

Tahoe Arts Project's 10th annual Arts Festival is July 9-10 at South Tahoe Middle School.

This outdoor festival will include art booths, food vendors, children's art activities, entertainment, and fun for the entire family. This is a juried show and there is space available for artists interested in showing and selling their work.

This is Tahoe Arts Project's major fundraiser for the year. Tahoe Arts project is a nonprofit organization whose mission is to provide cultural enrichment and diversity for the community through the arts and education with particular focus on our youth. Tahoe Arts Project has been bringing professional performing arts of various cultures into South Lake Tahoe schools and community for 24 years. All proceeds from the festival will go toward these programs.
