

TRTA Rim to Reno Project talk

April 27 6-7pm: "TRTA Rim to Reno Project" at the Reno REI store.

In an effort to connect the Tahoe Rim Trail to southwest Reno, the TRTA is joining forces with the U.S. Forest Service and the Great Basin Institute to construct 25 miles of single track trail passing through Mt. Rose Wilderness. Join the TRTA and REI for this informative presentation and learn how you can be part of this momentous undertaking.
