

Win an e-book reader at S. Tahoe library

The El Dorado County Library in South Lake Tahoe will celebrate National Library Week by giving away a NOOKcolor, e-book reader at 10am on April 16.

The drawing will be during the demonstration of OverDrive, the library's new software that allows people to check out downloadable e-books and audio books on a variety of devices.

To enter in the drawing, stop by the library at 1000 Rufus Allen Blvd. before April 16.
