

Ski with the pros

Northstar's Tahoe Cross Country Center, which will be open through May 1, invites the public to ski with Olympians on April 14.

A masters clinic is planned for 1:30pm-3:00 and the juniors version at 3:30pm. On hand will be three U.S. skiers who compete at the World and Olympic level: Kikkan Randall, Kris Freeman, and Andy Newell.

The cost is \$40 per person plus afternoon trail pass. Those interested may register at www.xcski.org.
