

Comedian Seth Meyers coming to Stateline

MontBleu goes comedic when “Saturday Night Live” funny man Seth Meyers takes the stage May 28 in Stateline.

A member of the “SNL” staff for the past nine years, Meyers is the show’s head writer, but is probably best known as the co-anchor of the “Weekend Update” segment and the other half of Tina Fey’s parodies of Sara Palin, with Meyers composing some of the sketches’ most memorable lines.

Meyers is also well-known for his impressions of Russell Crowe, Richard Dawson, Hugh Grant, Tobey Maquire and Ewan McGregor.

Tickets are \$30/\$40, plus fees.

Doors open at 8pm; show at 9pm.
