

Hot August Nights puts it in gear for Lake Tahoe

Classic chrome polished cars, rock 'n' roll and Lake Tahoe will make for a Hot August Nights to remember, Aug. 6-9 at MontBleu in Stateline.

MontBleu will be the headquarters for show-n-shines, car exhibits, exclusive car auctions, cruises and an outdoor pavilion with food, beverages and great oldies music. Take in the sun with the top down, and then at night step inside MontBleu to unwind Tahoe-style, with music, dining and a host of shows, including Aaron Lewis Aug. 6 and KC & The Sunshine Band Aug. 7 in the MontBleu Theater.
