

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Jazzie is a nice medium-sized shepherd mix who will make a great addition to just about any family.

She is just under a year old, is house trained and gets along well with the other dogs at the shelter. She loves to play and would be happy in a home with older children. Jazzie will be great at keeping the cats and squirrels out of your yard. She needs a family who will take her on long hikes, as she has lots of energy.

Jazzie is spayed, microchipped, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.
