

Transportation meeting in Carson City

A public open house to discuss transportation plans that will affect the Carson City area will be hosted by the Tahoe Transportation District, Northern Nevada Transportation Collaborative and local, state, regional and federal agencies on May 18 from 4-7pm at the Nevada Legislative Building, Room 3100 in Carson City.

Outlines will be available for numerous projects including the Carson City freeway corridor, Reno-Tahoe International Airport, Tahoe East Shore Beaches Trail, Aquatic Trail, and Regional Bike Trails, as well as other transportation improvement issues.

The public is encouraged to attend and provide comments and questions to representatives from the Tahoe Transportation District, Northern Nevada Transportation Collaborative, Nevada Department of Transportation, Regional Transportation Commission of Washoe County, Reno-Tahoe Airport Authority, Carson City Regional Transportation Commission, Douglas County, Washoe County Parks, Carson City Parks, Nevada State Parks and the U.S. Forest Service.

Additional open houses are also being planned for Reno and the Carson Valley in June.
