

# Rotarians spend day at Boys & Girls Club

More than 20 local Tahoe Douglas Rotarians donated time and hard work at the Lake Tahoe Boys & Girls Club on April 30 as part of Rotarians At Work Day.

The Rotarians were joined by six kids and parents to build a stage, paint walls and cabinets, and remove broken mirrors.

Rotarians At Work Day is the last Saturday in April each year where clubs around the world identify a hands-on project that all members can participate in to help their local community. Tahoe Douglas Rotary selected to work with the Boys & Girls Club of Lake Tahoe to give back to the South Shore community and to use the project to model community service behavior for younger generations.
