

Organized bike ride in South Tahoe

On Sept. 18, Lake Tahoe Bicycle Coalition's board of directors will lead a recreational bike ride along South Lake Tahoe's bicycle path system.

The ride starts and ends at Blue Dog Pizza at the north end of Raley's Shopping Center near Stateline.

The ride begins at 1pm and is expected to last 3 to 4 hours and travel 15 to 20 miles. The ride is free and open for everyone interested in a relaxed pace ride, stopping for photos, and chatting about the bike paths and surrounding areas.
